

540 WORKMATE

The work horse of the Surtees fleet, Workmate is designed with a reduced cabin and larger cockpit that maximises deck space for serious fishermen, in fact the cockpit is arguably the largest in its class offering more fishing area than many larger boats.

Fitted with an ingenious fold-down roof it enables garage storage.

The Surtees 540 Workmate is packed to the gunnels with Surtees iQ technology and features, such as patented Razortech™ super smooth riding hull and Anti-roll™ Stability Ballast Technology for the perfect fishing platform.
